

 An exploded view diagram of a check chain assembly. It shows a curved metal link with a ball joint at one end, a central cylindrical component, and a straight metal link with a hook and pin at the other end. The components are arranged horizontally to show their relative positions and how they fit together.	<p>Check Chain Assembly</p> <p>Ford 5000</p>	<p><b>F1813319</b></p>
