

 <p>A technical drawing of a hair pin. The drawing shows a wire bent into a loop on the left side, followed by a wavy section, and then a straight section ending in a pointed tip. Dimension lines indicate a total length of 42mm from the start of the loop to the end of the straight section, and a thickness of 2mm for the wire.</p>	<p>Hair Pin</p> <p>2mm (S8)</p>	<p>FCL2E</p>
