

 <p>Technical drawing of a hair pin. The drawing shows a wire bent into a loop on the left, followed by a wavy section, and a straight section on the right. A dimension line indicates a length of 76mm from the start of the loop to the end of the straight section. Another dimension line indicates a diameter of 4mm for the straight section.</p>	<p>Hair Pin</p> <p>4mm (S12)</p>	<p><b>FCL4E</b></p>
